

## Food Service Industry & Manufacture of Food and Beverages Skills Proficiency Tests

### 2020 Schedule

December 2020

The Organization for Technical Skill Assessment of Foreign Workers in Food Industry

○The final schedule (and the specific test locations and their respective test dates) of the Skills Proficiency Tests will be decided and announced on our website after holding a discussion with the Ministry of Agriculture, Forestry and Fisheries about one month prior to the start of the entry procedure. The test dates and locations may be changed as a result of the discussion.

○The tests may be canceled or postponed due to the potential future spread of novel coronavirus.
